Students and staff at Hutchins can now register to create their own Lynda.com accounts.

Lynda.com is a world leader in providing online video training in a vast array of software packages and technologies with a particular focus on creative arts applications, as well as business productivity software such as Microsoft Office and the Adobe suite of products.

To create your Lynda.com account:

1. Make sure you are at Hutchins when you initially create your account

2. Go to: [http://iplogin.lynda.com](http://iplogin.lynda.com)

3. Create an account using your Hutchins email address:

   - Students: `username@hutchins.tas.edu.au`
   - Staff: `Firstname.Lastname@hutchins.tas.edu.au`

4. Start Training!
