EXPEDITION DEPARTURE INFORMATION

With the departure fast approaching, the most important consideration for the week ahead will be checking and re-checking gear and spending some good, relaxing family time together before the boys head off on this unique challenge. Please note, Wednesday 3/6/15 will be a student free day for the boys to pack and finalise travel arrangements.

Below are some important protocols that you will need to be aware of whilst we are away. The first point of contact if you have any concerns will be the school or with expedition staff directly - see below. Whilst we will have a satellite phone with us, it will not be used unless required. We will check-in with the school regularly and hope to have information available online (FACEBOOK- Hutchins Power of 9).

Boys should leave mobile phones at home. This is an important part of the experience. All staff will have their mobile phones (numbers below) with them, but will sometimes be out of range.

School Contacts:

1) WEBSITE/Facebook Page: Updated regularly with information/notices/location etc.
2) Ken Kingston 0429442007
3) Roger McNamara 0438844451 (roger.mcnamara@hutchins.tas.edu.au)
4) Alan Jones- 62214253 mobile 0409203781 (emergency only)
